

If a picture says a 1,000 words, here are a few thousand words...

**"I'M AN EXPERT ON MENTAL HEALTH AND FOOD DISORDERS."
...SAYS THE OBESE MAN WHO THINKS HE'S A WOMAN.**

WE BELIEVE IN SCIENCE.

**Just not the chromosome thing —
we don't agree with that one.**

Biden's new overweight transgender health secretary and her/his healthy family. Dr Rachel Levine, she will be in charged of our healthy lifestyle.

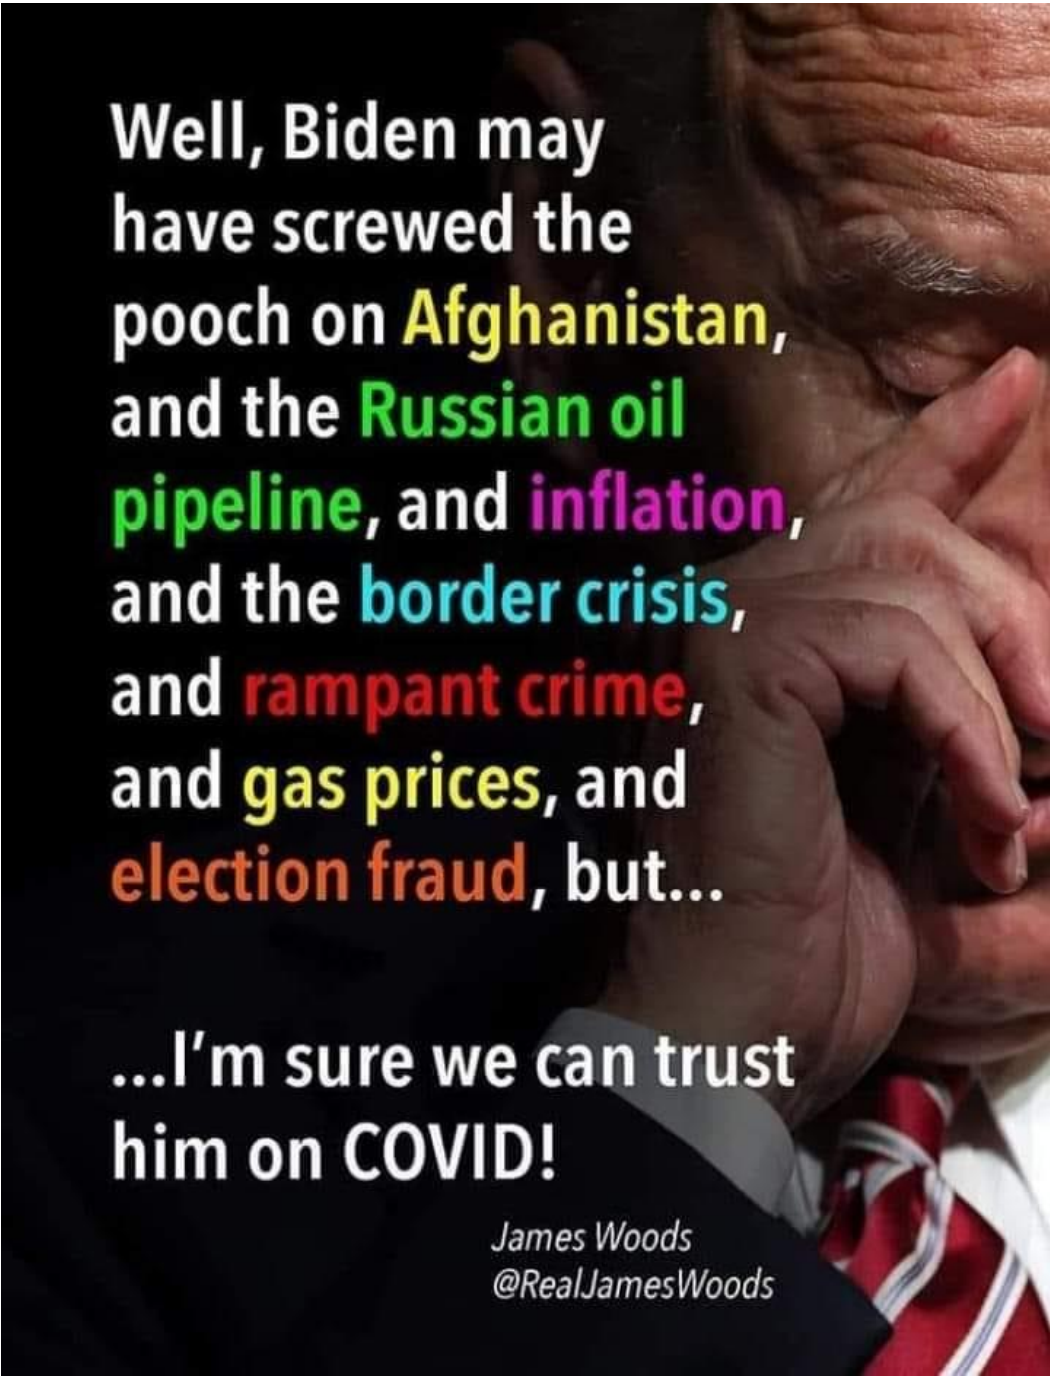

Congratulations America!! 🙌🙌

Now this one scared me and I'm not afraid of anything. See anything strange???

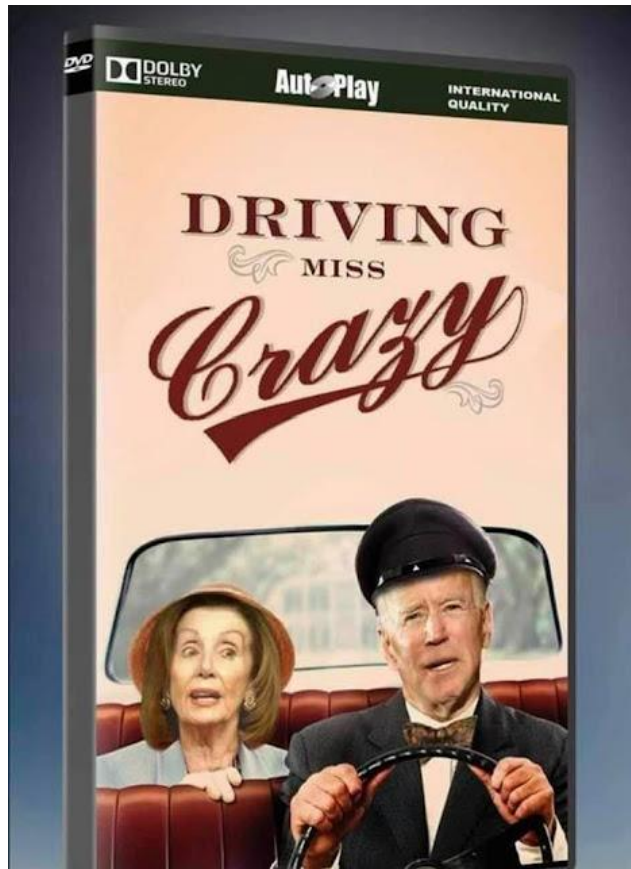

YUP! Ya just gotta love this guy!

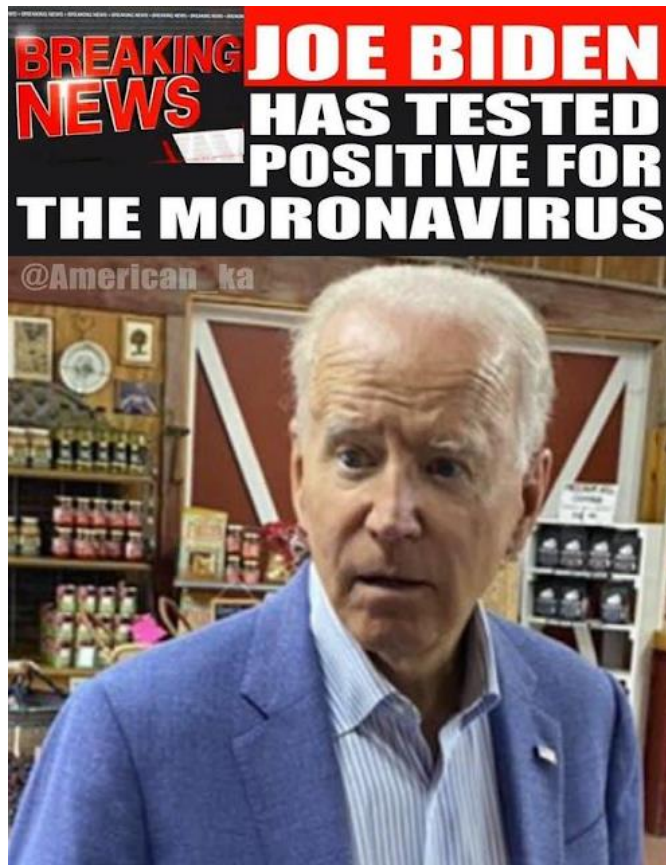

Well, Biden may
have screwed the
pooch on **Afghanistan**,
and the **Russian oil**
pipeline, and **inflation**,
and the **border crisis**,
and **rampant crime**,
and **gas prices**, and
election fraud, but...

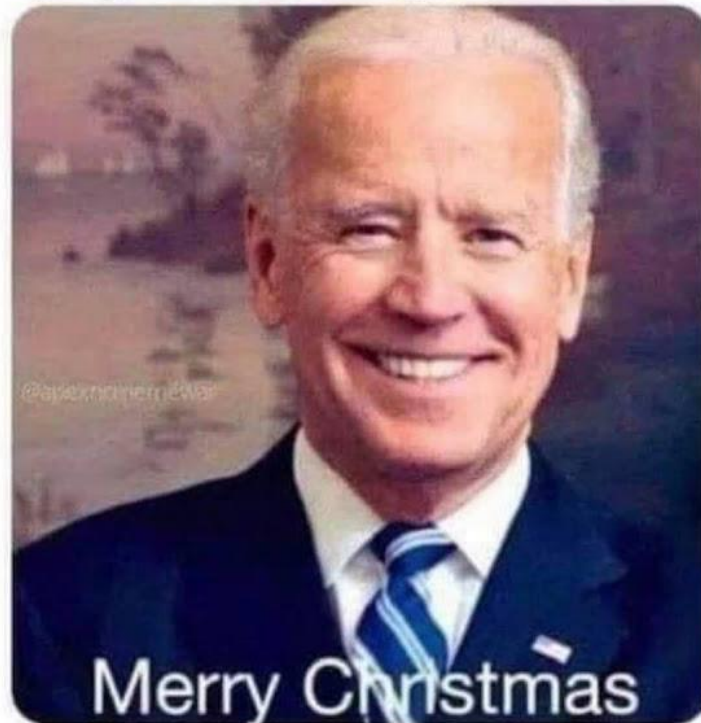

...I'm sure we can trust
him on COVID!

Welcome to Target

**My husband
secretly
hates
America!**

**My husband
proudly
loves
America!**

**My husband
can't
remember
America!**

All 4 Congresswomen here are still calling for "Defund the Police" throughout America

All 4 just voted YES for a \$2Billion increase for the Capitol Police that protects congress???
