How to cripple an entire generation.

Some of you have  
never had to push your  
own car then hop in  
and pop the clutch  
and it shows.

I'm gonna need a conversion chart to make sense of this.

How many U-hauls could a U-Haul haul if a U-Haul could haul U-Hauls.

**The ancient Greeks, inventors of democracy, would elect their officials to one year terms. Each officials' finances were audited at the beginning and end of their term. If anything was amiss, they would be tried and executed.**
