

Dear Friend,

As the Sheriff of York and Poquoson for more than two decades, I understand the importance of fiscal responsibility.

In order to live successful and happy lives, we need to live within our means and use our resources wisely. The government **should not** be an exception to this principle. We work hard to make a living and as a result we must pay taxes. The government has a duty to use these hard-earned tax dollars responsibly, for the benefit of the community and not for frivolous pet projects.

As your State Senator, I will work to ensure that the General Assembly uses tax dollars responsibly and **fight to lower taxes for the benefit of all Virginians**. With record inflation and economic uncertainty, it is more important than ever to be mindful of how we spend our hard-earned money.

I am seeking your support to continue this fight. [If you can donate \\$150, \\$100, or \\$75, it would greatly help my campaign to go to Richmond and represent you.](#) If you are unable to donate at this time, you can still show your support by requesting a yard sign or donating your time to my

campaign by [clicking here](#). Finally, if you believe you may not be able to vote on Election Day, [click here](#) to be directed to the form to fill out an absentee ballot request.

Together, we can make a difference in November.

Sincerely,
