

“Who controls the past controls the future. Who controls the present controls the past.”

-George Orwell, 1984

When I was a kid, I couldn't understand why Eisenhower was so popular. Maybe this will explain why..

General Eisenhower Warned Us.

It is a matter of history that when the Supreme Commander of the Allied Forces, General Dwight Eisenhower, found the victims of the death camps he ordered all possible photographs to be taken, and for the German people from surrounding villages to be ushered through the camps and even made to bury the dead.

*He did this because he said in words to this effect:
'Get it all on record now - get the films - get the witnesses -
because somewhere down the road of history some bastard will get
up and say that this never happened'*

*This week, the UK debated whether to remove The Holocaust from
its school curriculum because it 'offends' the Muslim population
which claims it never occurred. It is not removed as yet. However,
this is a frightening portent of the fear that is gripping the
world and how easily each country is giving into it.*

*It is now more than 60 years after the Second World War
in Europe ended. This e-mail is being sent as a memorial chain, in
memory of the, six million Jews, 20 million Russians, 10 million
Christians, and 1,900 Catholic priests Who were 'murdered, raped,
burned, starved, beaten, experimented on and humiliated' while
many in the world looked the other way!*

*Now, more than ever, with Iran , among others, claiming the
Holocaust to be 'a myth,' it is imperative to make sure the world
never forgets.*

[

*This e-mail is intended to reach 400 million people! Be a
link in the memorial chain and help distribute this around*

the world.
How many years will it be before the attack on the World Trade Center 'NEVER HAPPENED',

Because it offends some Muslims???
Or some other people whom feel offended? Or decide the past is
not "politically" correct?

Do not just delete this message; it will take only a minute to pass
this along.
