

Electoral College

For all who want to do away with the electoral college and have the president elected by popular vote, here's your perfect solution. Just thought you might like to take a look at reality.

And, Does anyone wonder why the liberals want open borders, no voter ID, no requirement to prove citizenship when registering to vote and no electoral college?

How about Pelosi saying she is in favor of 16 year old kids being eligible to vote? While she is doing that we have people making excuses for O'Rourke's behavior when he was 16 saying "Oh, he was just a kid then and did not know what he was doing!"
