

# **GUESS WHO SAVED BILL CLINTON !**

*Dianne Feinstein*

*Patrick Leahy*

*Dick Durbin*

**Hello, we are US Senators on the Judiciary Committee who in 1998 voted against impeaching Bill Clinton.**

**Despite the fact he lied under oath to a grand jury.  
Despite the fact almost a dozen women accused him of rape and other sexual assaults.  
Despite the fact he lied about sex with a young intern until DNA evidence proved his lies.**

**But don't pay attention to that. There's nothing political in our efforts to lynch Brett Kavanaugh.**
