

Fellow Virginia Patriots,

Here we go again....**Speaker Todd Gilbert (R-15)** is once again stalling the full and complete Repeal of Red Flag Gun Confiscation.

With less than a month to Repeal Red Flag, we need you to call Speaker Todd Gilbert at 804-698-1015 and tell him he must immediately move HB1394 to the floor for a full vote!

With 2023 being an election year, you have to ask why is Gilbert stalling and trying to prevent the Repeal of Red Flag from even coming up for a vote?

Is it personal and Gilbert actually supports this unconstitutional gun

grabbing scheme? Is he trying to punish Delegate Marie March for standing firm on the 2nd Amendment and not playing along with the 'good ol' boy' system in Richmond? Or is Gilbert trying to keep weak Republican Delegates from being exposed over their anti-gun stance?

Either way, it is vital that you call Speaker Gilbert at 804-698-1015 and tell him your support of his election, and the elections of the members of his party, depends on their support of HB1394, the full repeal of Red Flag Gun Grabs, , House Bill 1394, introduced by Delegate Marie March, completely repeals Red Flag Gun Confiscation.

We are beginning to roll out calls in targeted districts to pressure Gilbert, and all the Delegates in the State House, to quickly pass Red Flag Repeal. This of course costs a lot of money. [Click here to kick in \\$100, \\$50 or \\$25 to help reach as many gun owners in Virginia as possible!](#)
