

How to stop the Hawaiian volcano.

Apparently, in Hawaiian folklore, the *Pele* is the Goddess of fire, lightning, wind and volcanoes and the creator of the Hawaiian Islands.

According to ancient Hawaiian tradition, the quickest way to appease *Pele* and have her stop the volcanic fires is to make a human sacrifice into her fires.

The tradition goes on to say that the sacrifice needs to be a Hawaiian born celebrated leader who is considered one of the most powerful men in the world.

Obama quickly announced he was actually born in Kenya, and has the Birth Certificate to prove it.
