

This makes sense. It may be exaggerated, and maybe not.

**Joe Legal** works in construction, has a Social Security Number and makes \$25.00 per hour with taxes deducted.

**Jose Illegal** also works in construction, has NO Social Security Number, and gets paid \$15.00 cash "under the table".

Ready? Now pay attention....

**Joe Legal:** \$25.00 per hour x 40 hours = \$1000.00 per week, or \$52,000.00 per year. Now take 30% away for state and federal tax; **Joe Legal** now has \$31,231.00.

**Jose Illegal:** \$15.00 per hour x 40 hours = \$600.00 per week, or \$31,200.00 per year. **Jose Illegal** pays no taxes **Jose Illegal** now has \$31,200.00.

**Joe Legal** pays medical and dental insurance with limited coverage for his family at \$600.00 per month, or \$7,200.00 per year. **Joe Legal** now has \$24,031.00.

**Jose Illegal** has full medical and dental coverage through the state and local clinics and emergency hospitals at a cost of \$0.00 per year... **Jose Illegal** still has \$31,200.00.

**Joe Legal** makes too much money and is not eligible for food stamps or welfare.

**Joe Legal** pays \$500.00 per month for food, or \$6,000.00 per year. **Joe Legal** now has \$18,031.00.

**Jose Illegal** has no documented income and is eligible for food stamps, WIC and welfare. **Jose Illegal** still has \$31,200.00.

**Joe Legal** pays rent of \$1,200.00 per month, or \$14,400.00 per year. **Joe Legal** now has 9,631 00.

**Jose Illegal** receives a \$500.00 per month Federal Rent Subsidy. **Jose Illegal** pays out that \$500.00 per month, or \$6,000.00 per year.

**Jose Illegal** still has \$ 31,200.00.

**Joe Legal** pays \$200.00 per month, or \$2,400.00 for car insurance. Some of that is uninsured motorist insurance. **Joe Legal** now has \$7,231.00.

**Jose Illegal** says, "We don't need no stinkin' insurance!" and still has \$31,200.00.

**Joe Legal** has to make his \$7,231.00 stretch to pay utilities, gasoline, etc..

**Jose Illegal** has to make his \$31,200.00 stretch to pay utilities, gasoline and what he sends out of the country every month..

**Joe Legal** now works overtime on Saturdays or gets a part time job after work.

**Jose Illegal** has nights and weekends off to enjoy with his family.

**Joe Legal's** and **Jose Illegal's** children both attend the same elementary school.

**Joe Legal** pays for his children's lunches, while **Jose Illegal's** children get a government sponsored lunch.

**Jose Illegal's** children have an after school ESL program. **Joe Legal's** children go home.

Now, when they reach college age, **Joe Legal's** kids may not get into a State School and may not qualify for scholarships, grants or other tuition help, even though **Joe** has been paying for State Schools through his taxes, while **Jose Illegal's** kids "go to the head of the class" because they are a minority.

**Joe Legal** and **Jose Illegal** both enjoy the same police and fire services, but **Joe** paid for them and **Jose** did not pay.

**If you vote for or support any politician who supports illegal aliens YOU are part of the problem!**
