

Lisa H Barsoomian, a US Attorney that graduated from Georgetown Law, is a protege of James Comey and Robert Mueller. Barsoomian, with her boss R Craig Lawrence, represented Bill Clinton in 1998.

Lawrence also represented:

James Comey five times

Robert Mueller three times

Barack Obama 45 times

Kathleen Sebelius 56 times

Bill Clinton 40 times and

Hillary Clinton 17 times, all between 1991 and 2017.

Barsoomian herself represented the FBI at least five times.

You may be saying to yourself, okay who cares, who cares about the work history of this Barsoomian woman? Apparently someone does BECAUSE : Someone out there cares so much that they've "purged" all Barsoomian court documents for her Clinton representation in Hamburg vs. Clinton in 1998 and its appeal in 1999 from the DC District and Appeals court dockets.

Someone out there cares so much that the internet has been "purged" of all information pertaining to Barsoomian. Historically this indicates that the individual is a protected CIA operative.

Additionally, Lisa Barsoomian has specialized in opposing Freedom of Information Act requests on behalf of the intelligence community.

And although Barsoomian has been involved in hundreds of cases representing the DC Office of the US Attorney, her email address is Lisa Barsoomian at NIH gov.

The NIH stands for National Institutes of Health. This is a tactic routinely used by the CIA to protect an operative by using another government organization to shield their activities. It's a cover, so big deal right, I mean what does one more attorney with ties to the US intelligence community really matter?

It deals with Trump and his recent tariffs on Chinese steel and aluminum imports, the border wall, DACA, everything coming out of California, the Uniparty unrelenting opposition to President Trump, the Clapper leaks, the Comey leaks, Attorney General Jeff Sessions' recusal and subsequent 14 month nap with occasional forays into the marijuana legalization mix...and last but not least Muller's never-ending investigation into collusion between the Trump team and the Russians.

Why does Barsoomian, CIA operative, merit any mention? BECAUSE she is Assistant Attorney General Rod Rosenstein's WIFE, that's why. Barsoomian's loyalties are tainted. How could this not have influenced Rosenstein? This clearly violates the appearance of impropriety, a rule often stated by attorneys. Both owe their careers as US attorneys to Mueller, Obama, Bush, and the Clintons.

Impartiality? That's impossible.

Rod Rosenstein has no business involving himself in the Hillary Clinton-DNC funded Steel dossier, and the ongoing Russia investigation, much less the selection of his mentor and his wife's mentor Robert Mueller as Special Counsel.

The rules of ethics "required his recusal." But there was no such recusal.

THE SWAMP IS DIRTY, DARK, AND DEEP.
