

THE FACTS THAT CHINA

1. Arrested the doctor who first warned about the virus for "spreading rumours." This doctor later died of the virus.

2. Under-reported number of cases attempting to cover up severity of the spread.

3. Denied access to outside medical teams and scientists to observe the virus and gather potentially life-saving information.

4. Allowed residents to travel, spreading the virus around the world.

5. Promoted conspiracy theories that the virus was started by the American military

PM.

DOESN'T WANT YOU TO SEE

Nancy Pelosi's "emergency coronavirus" package contains these items that are deemed important to help us every day Americans:

1. 35 million for the JFK performing arts center.
2. Nearly 300 million for the IRS.
3. 90 million for HIV.
4. 100 million for NASA.
5. 100 Million for NASA for construction and environmental compliance and restoration.
6. 7 million for one specific DC charter school.
7. 300 million for refugee and migration assistance.
8. 23 million dollars to Howard University.
9. Expansion and use of minority banks and credit unions.
