

FOR THOSE NOT FAMILIAR WITH MILITARY RANK, THE STRIPES ON THIS MAN'S UNIFORM ARE WORN BY ONLY "ONE MAN" IN THE ENTIRE USAF, THE "CHIEF MASTER SERGEANT OF THE UNITED STATES AIR FORCE" . HE IS THE HIGHEST RANKING ENLISTED MAN IN THE USAF.

HE IS SAID TO SPEAK TO ONLY TWO PEOPLE, GOD AND THE AIR FORCE CHIEF OF STAFF !!! LIKE IT OR NOT THIS MAN PUT HIS NAME AND PICTURE TO WHAT HE HAD TO SAY. ONE HELL OF A LETTER! Read This And Get Educated. He leaves no doubt how he feels ... rather refreshing really.

Retired Air Force Master Sgt. George Roof posted the "Presidents I've Known" column on his personal Facebook page on November 20, 2016, and it has since been widely shared and circulated.

George Roof, Chief Master Sergeant, USAF (Retired)

Because I am a lifer in the military, I've seen the impact of a President more than many of you can imagine. I enlisted with LBJ, and saw just what a Democrat clusterflock was all about. I went to Vietnam and saw how we were constantly and incessantly bombarded with micro-management from Washington that got thousands of military people killed. *I sometimes wonder if I'll get to heaven, but if I go to hell, I'm sure I'll still be a few hundred floors above that bastard Robert McNamara, LB Johnson, John Kerry, Jane Fonda, and yes, even the so called, "hero" John McCain.*

After Johnson abdicated rather than having his ass waxed, I lived through Nixon who was hawkish, but allowed the generals, (and there WERE a few real generals back then versus now) run the show. Nixon was so out of touch, he never knew North Vietnam was about to surrender when the Paris Accord was presented.

Only God could help us after Gerald Ford was beaten by Jimmy "Peanuts" Carter who'd been funded by Saudi money..... . The military was turned into Section 8, and even the White House suffered the austerity.

Then the light began to shine when Ronald Reagan swept into the fray. He not only loved the country and the military, they loved him back! Esprit d'corps was off the scale during his Presidency. *The Liberals were slowly turning into socialists*, however, and about this time *all the draft dodgers of the 1960s who'd*

been given amnesty by Jimmy "Peanuts", were turning out college graduates with degrees in 'Socialism'.

Bush 1, was an enigma from the CIA, and though he never did much either way, he NEVER DID MUCH EITHER WAY.

Welcome to Bill Clinton. Clinton spent most of his two terms wagging the dog, and creating the "Oral" Office, sending a bomber to blow up Quaddafi's tent and killing a goat or two, while allowing the UN to set up the infamous 'Black Hawk Down' situation. He made history by becoming only the second President to be impeached.

I actually felt sorry for Bush 2. He was doomed to infamy from the start. He thought most of America was still the rah rah patriots of WWII when they *were 'simply socialists' waiting to feed him to the sharks.*

Then there came the Manchurian Candidate, Obama with a faked (OK Democrats, let's say of questionable origin to assuage your PC brains) birth certificate, who'd gotten a free ride through college under a foreign student exemption, and whose college records, and complete life history had been "sealed." (We know more about Thomas Jefferson's bastard children than we do about Obama, Michelle , OR their two faked kids.) Try finding their birth certificates.... From his Inaugural address, he slandered America, and within days had begun to encourage dissention of the races, as well as slandering police who he claimed acted stupidly. That was mild to the crap that would come in doubling the National debt from what had been built by ALL THE PREVIOUS PRESIDENTS PREVIOUSLY COMBINED, feeding us bullshit about how Muslims built this country, and nationalizing American industries. Fueled by George Soros money, and using the Air Force fleet as his personal charters, he appointed malcontents and traitors into positions of authority. He trashed the Constitution by installing Czars (interesting he chose a title like that) to bypass Congressional authority. By that time, Congress was completely corrupt on both sides of the aisle anyway, and no one had the balls to impeach the charlatan, Obama!

Mysteriously, the lone-outspoken-conservative-Supreme Court Justice, Scalia, suddenly dies in his sleep at an Obama pals hunting lodge, and the Supreme Court is evenly split. Finally, Congress shows some balls, and rejects Obama's Supreme Court Justice nomination. The Libertards aren't worried because the fix is in.... Soros "has paid" demonstrators to cause turmoil at "all the Republican gatherings". Obama concedes that illegal aliens should vote because they won't be

prosecuted, and Soros-manufactured voting machines are caught switching votes in certain precincts. Hillary has cheated her way to the nomination, and her lies are completely ignored by the brainwashed minions of sycophants who follow her.

But a shocking thing happened on the way to the forum...

Middle America had had enough, and although the pollsters and the pipers tried to convince middle America not to even go to the polls to vote, the people were fed up with the denizens of the swamp. It was time. Florida was designated a swing state ignoring that all those old retirees living in St. Petersburg, and the fed up Cuban Americans of Miami weren't interested in their platform. Ohio and Pennsylvania, (where coal production was blacklisted, and where Obama had ridiculed them for clinging to their Bibles and their guns), lay waiting for this supposed landslide Hillary vote... and creamed it.

The Socialist world of the Democratic Party disintegrated. An American who expressed unbridled love of country and respect for police, firemen, and military, steamrolled across the heartland, and the liberals realized their scheme was trashed. A CONSTITUTIONALIST would be nominated to the Supreme Court, and if that old hag, Ginsburg, (who'd claimed to retire if Trump were elected) would actually retire and leave, the Supreme Court would have a massive majority of CONSTITUTIONALISTS for the next 40-50 years.

Now, the same party who'd ridiculed Trump on his comments about the election being rigged, started screaming that the election "was rigged". They even advocated having the election repeated. They created mobs that burned and pillaged, stopped traffic, threatened murder, battery and rape of Trump supporters, and became the anarchists that the socialist dream thrives upon. They ran like castrated pigs for safe zones, and used diaper pins as their national symbol.

This is exactly what happens when political correctness takes over, and participation trophies are awarded to every youngster just for showing up. They can't conceive how disgusting and subservient they have become.

Donald Trump may NOT be the best person for the job, but he's such a welcome respite from the candy-assed wimps who've been running the swamp that it's refreshing to see. *At the very least, Donald Trump derailed the Socialist train, and bought us precious time.* If he only does half of what he's promised, we'll still be legions ahead of where Obama had dragged us back. Already, countries who held us in contempt are lining up to be found in the favor of America.

Donald Trump has done more in his short time in the White House than any president before him... And best of all, he prevented Hillary Clinton from becoming president!

So, for you liberal lurkers, and you half-assed fence-sitters, "Tough Shit!" You had your big hurrah, and now your party is over. For you staunch Republicans in office, don't gloat a whole lot yourselves. You've been put on notice by the American people that we're fed up with ALL YOU BASTARDS, and if you don't start putting America first, you do so at your own peril. (You might want to buy a copy of George McGovern's autobiography, and see how shocking and humbling it can be for a professional politician to have to try to find legitimate work once he falls from grace).

This election was pure, unadulterated AMERICAN! Hillary got beat, and AMERICA WON THE ELECTION. You can claim he's not your President all you want, but unless you "forfeit" your American citizenship YES, HE IS YOUR PRESIDENT!!!!

So, go cry a river some place where they need water.
