

Interesting perspective...

Like many citizens, I've wondered and tried hard to understand why Trump has such a remarkable following. (It's obvious why he probably should not!) Then a friend sent me this raccoon story. It makes no difference about your political leanings, this is just a good explanation of WHY... (or it's as good as any I can come up with).

If you really want to know how the majority of people feel? And this applies to both democrats and republicans, read below, it says it all.

You've been on vacation for two weeks, you come home, and your basement is infested with raccoons. Hundreds of rabid, messy, mean raccoons have overtaken your basement. You want them gone immediately. You call the city, 4 different exterminators, but nobody can handle the job. But there is this one guy and he guarantees you to get rid of them, so you hire him. You don't care if the guy smells, you don't care if the guy swears, you don't care if he's an alcoholic, you don't care how many times he's been married, you don't care if he has a plumber's crack, you simply want those raccoons gone! You want your problem fixed! He's the guy. He's the best. Period !

Here's why we want Trump, yes he's a bit of an ass, yes he's an egomaniac, but we don't care. The country is a mess because politicians suck, the Republicans and Democrats can be two-faced & gutless, and illegals are everywhere. We want it all fixed! We don't care that Trump is crude, we don't care that he insults people, we don't care that he has changed positions, we don't care that he's been married 3 times, we don't care that he fights with Megyn Kelly and Rosie O'Donnell, we don't care that he doesn't know the name of some Muslim terrorist.

This country is weak, bankrupt, our enemies are making fun of us, we are being invaded by illegals, we are becoming a nation of victims where every Tom, Ricardo, and Hasid is a special group with special rights to a point where we don't even recognize the country we were born and raised in; "AND WE JUST WANT IT FIXED" and Trump is the only guy who seems to understand what the people want.

We're sick of politicians, sick of the Democratic Party, Republican Party, and sick of illegals. We just want this thing fixed. Trump may not be a saint, but he doesn't have lobbyist money holding him, he doesn't have political correctness restraining

him, all you know is that he has been very successful, a good negotiator, he has built a lot of things, and he's also not a politician, he's not a cowardly politician. And he says he'll fix it. And, we believe him because he is too much of an egotist to be proven wrong or looked at and called a liar. Also, we don't care if the guy has bad hair. We just want those raccoons gone, out of our house, NOW.

You are welcome to pass this on. I feel this is why thousands of people who haven't voted in 25 years are getting involved.

The raccoons have got to go.
