

Below is information about saving the Electoral College. If you haven't already seen this, or know about the group, I thought you may like the information. Please share it, too.

Just over a year ago, [Save Our States](#) began working with award-winning filmmakers to create a documentary that not only explained the benefits of the Electoral College, but also explored the consequences of changing the way we elect our presidents.

"Safeguard: An Electoral College Story" is now **available to stream on [Amazon](#)**. I hope you'll be able to find time to watch it. There is also a trailer on [YouTube](#) you can watch first, if you like.
