

## **The Will Rogers of our time...Senator John Kennedy**

You often see a TV Anchor ask Senator Kennedy a question, and one would think he is just a good ole boy from Louisiana. Kennedy graduated Magna cum Laude from Vanderbilt, has a Law degree from the University of Virginia and a B.C.L. degree from Oxford in England where he was a First-Class Honors graduate. He is no country bumpkin; he is very insightful and often humorous. Here are some of his direct quotes:

Comment about Cuomo lecturing us.

"It's like a frog calling you ugly".

This election in Ga will be the most important in history. You have nothing to worry about unless you are a taxpayer, parent, gun owner, cop, a person of faith, or an unborn baby!

Senator John Kennedy from Louisiana describes Democrats as the "well-intended arugula and tofu crowd."

You can only be young once, but you can always be immature.

"Americans are thinking, there are some good members of Congress but we can't figure out what they are good for. Others are thinking, how did these morons make it through the birth canal."

It's as dead as four o'clock.

Always follow your heart.....but take your brains with you.

The short answer is 'No.' The long answer is 'Hell No.'

It must suck to be that dumb.

When the Portland mayor's IQ gets to 75, he oughta sell.

I keep trying to see Nancy Pelosi and Chuck Schumer's point of view, but I can't seem to get my head that far up my ass.

Go sell your crazy somewhere else...we are all stocked up here .

She has a Billy goat brain and a mockingbird mouth!

Sen. John Kennedy (R., La.) said on Wednesday that he trusted most Middle Eastern countries as much as gas station sushi.

You can get a goat to climb a tree, but you'd be better off hiring a squirrel.

1. This has been going on since Moby Dick was a minnow.

2. Never stand between a dog and a fire hydrant.

Our country was founded by geniuses, but it's being run by idiots .

It appears that he might do the right thing, but only when closely supervised and cornered like a rat.

Dumb enough to be a twin of himself.

This is why space aliens won't talk to us.

Democrats are running around like they found a hair in their biscuit.

Chuck Schumer just moo's and follows Nancy Pelosi into the cow chute.

What planet did you parachute in from?

Just because you CAN sing doesn't mean you should.

Senator John Kennedy on Nancy Pelosi, "She can strut sitting down!"
