Former vice president Joe Biden accidentally gave away the Democrat Party plan to have Sen. Kamala Harris (D-CA) be shadow president with Slow Joe in his vegetative state. Biden talked about the “Harris/Biden administration” in a speech he gave on Tuesday.

“The Harris/Biden administration is going to relaunch that effort and keep pushing further to make it easier for military spouses and veterans to find meaningful careers to ensure teachers know how to support military children in their classrooms and to improve support for caregivers and survivors so much more than we do now,” Biden said.

Big League Politics has reported on Harris’ descent into left-wing extremism, which includes the time [she raised money for a bail fund](#) to get terrorists back on the Minneapolis streets during the height of the riots:

Sen. Kamala Harris (D-CA) has officially been announced as the vice presidential pick for Democrat presidential nominee Joe Biden. The Trump campaign is

already painting her as a radical who has embraced the extreme Left in order to advance her career after [having a tough-on-crime record for decades](#).

The campaign may have a point considering Harris once promoted a bail fund on her Twitter account that would allow Black Lives Matter and ANTIFA terrorists to get back on the streets and continue their sustained campaign of revolutionary violence...

By supporting this scam, Harris helped to get violent terrorists subvert the rule of law and back on the streets of Minneapolis to turn the town into a wasteland.

Harris [has also condoned](#) rioting Black Lives Matter terrorists, urging them to continue their campaign of mayhem up to the election and beyond: Sen. Kamala Harris (D-CA) gave an explicit endorsement of left-wing terrorism during a recent appearance on the Late Show with Stephen Colbert. The lady who hopes to be the next Vice President of the United States said that the left-wing shock troops “aren’t going to stop” and is urging for “everyone” to “beware” of the ongoing terror rampage gripping the nation.

“They’re not going to stop. This is a movement. I’m telling you they’re not going to stop, and everyone beware because they are not going to stop. They’re not going to stop before election day in November, and they’re not going to stop after election day, and everyone should take note of that on both levels that they’re not going to let up, and they should not, and we should not,” Harris said...

The Democrat Party is fomenting this terror in a desperate attempt to destroy President Donald Trump.

A vote for Biden is effectively a vote for Harris, and she will let the mob reign supreme once she is in charge.
