\* Day 98 of January challenge, DONE! 🟢👉 ...  
nite-nite 😊

I'm currently doing this challenge  
called January. Where you just try to  
make it through every day of January.

# Multitasking

(*v.*) Screwing up several things at once.

When "The Science" needs a Pardon

That's when you know it's bullshit

I WANT TO BUY**

**THE TYPE OF RANCH  
I CAN AFFORD**

Why grow grass when you can just grow thyme? Creeping thyme is edible, grows 3 inches tall, doesn't need to be mowed or fertilized, barely needs water, and their flowers support dozens of pollinator species.

**Everyone who said 10° is better than 105°  
better be sitting outside enjoying it  
today.**

1 horse might not fix all your  
problems, but 5 will. Or they might  
cause so many problems that you  
forget about your old problems.

So maybe just get 6.
