

*Hi, this truly is a sad situation that I think all of us needs to understand and accept. Dark, dangerous forces are at work many places in the world with the objective of taking over cities and then countries. An honest look at the evolution from centuries ago through history and it should be obvious. Some areas in our country are already crumbling from swarms of people who refuse to adapt to our culture, learn our language, and accept our laws. We cry for you, Great Britain, and pray that we can overcome those among us who would surrender the rights and freedoms we still possess. Ron.*

## **THE TAKEOVER OF A NATION WITHOUT GOING TO WAR - WHAT HAS HAPPENED TO ENGLAND**

So England doesn't like the U.S. Recognizing Jerusalem as the capital of Israel! Imagine that! Now you will understand the reason.

This will give you a better understanding of the insidiousness of Hijrah; that's the takeover of a nation without going to war. Don't think for a moment that America is not a target, or that there are no American cities where Islamic and Sharia victories and takeovers have already occurred. It's time for border control, or we should start planning for a very big goodbye to the American way of life!

Here's what has already happened to England within a few years of opening their borders without any entry control and how the British have passively succumbed to the Muslim invasion:

Mayor of London.....MUSLIM

Mayor of Birmingham.....MUSLIM

Mayor of Leeds.....MUSLIM

Mayor of Blackburn.....MUSLIM

Mayor of Sheffield.....MUSLIM

Mayor of Oxford.....MUSLIM

Mayor of Luton.....MUSLIM

Mayor of Oldham.....MUSLIM

Mayor of Rochdale.....MUSLIM

All the following achieved by just 4 million MUSLIMS out of the 66 million population:

Over 3,000 Muslim Mosques

Over 130 Muslim Sharia Courts

Over 50 Muslim Sharia Councils

Muslim Only No-Go Areas across the United Kingdom

Muslim Women.....78% don't work and are on FREE benefits/housing

Muslim Men...63% don't work and are on FREE benefits/housing

Muslim Families...6-8 children in each family and planning to go on FREE benefits/housing

Now ALL UK schools are ONLY serving HALAL MEAT!

And now we (the USA)and ( CANADA) can't decide on an Immigration Policy.
