

Trevor Herrin grew up in the Vineyards area of James City County and graduated from Lafayette High School. He joined the United States Army as a paratrooper and intelligence analyst; serving with the 82nd Airborne Division from 2013 to 2015, and with the elite Army Special Operations Command from 2015 until he separated in May, 2019. He would like to continue serving the community where he grew up, using his commitment to public service, budget constraint, and ethical government, in James City Cty.

He believes it is time for a new perspective on key issues such as development, fiscal responsibility (the JCC budget has increased 30% over five years) and education. Trevor believes that government should be of the people, for the people, and by the people.

He is committed to representing everyone in the Roberts District, as well as all of James City County, and welcomes questions, comments, or concerns via email at herrinforjcc@gmail.com. Any contributions to his campaign are greatly appreciated.

Trevor is hosting a meet & greet fundraiser at the Vineyards Clubhouse on **Friday, August 9th from 6-8pm**. Tickets are \$25.00. Please RSVP.
