

# The Full List of President Donald Trump's Executive Orders on Day One

[Joel B. Pollak](#)

21 Jan 2025

President Donald Trump signed 118 executive orders, actions, and memoranda on January 20, 2025, within hours of taking the Oath of Office.

They are as follows:

1. [Rescinding](#) 78 executive orders by President Joe Biden. Revocations include:
  - Biden's order to make "equity," rather than "equality," the focus of federal policy;
  - Biden's order to include illegal aliens in the Census;
  - Biden's order to impose coronavirus mandates and restrictions;
  - Biden's order to allow transgender individuals to serve in the military;
  - Biden's order to ban private prisons;
  - Biden's order to prioritize climate change; to ease immigration enforcement;
  - Biden's order to revoke sanctions on the International Criminal Court (ICC);

- Biden’s order to establish a court-packing commission to make the Supreme Court permanently liberal;
- Biden’s order to prioritize diversity, equity, and inclusion (DEI) in federal hiring;
- Biden’s order to restrict offshore oil and gas development;
- Biden’s order to impose sanctions on Israelis linked to the political right;
- Biden’s order to rescind Cuba’s designation as a state sponsor of terrorism; and
- Biden’s order to revoke many of Trump’s executive orders from his first term.

79. [Restoring](#) freedom of speech and ending federal censorship
80. [Ending](#) the weaponization of the federal government against political opposition
81. [Compelling](#) all federal employees to show up at work physically
82. [Freezing](#) all new federal regulations, pending review
83. [Freezing](#) the hiring of new federal employees
84. [Relieving](#) inflation by directing federal agencies to find ways to lower prices
85. [Withdrawing](#) from the Paris Climate Accords
86. [Pardoning](#) (roughly 1500) and commuting the sentences (14) of January 6 defendants
87. [Suspending](#) the ban on TikTok, pending further review
88. [Withdrawing](#) the U.S. from the World Health Organization (WHO)
89. [Countering](#) the “Deep State” by extending presidential control over federal policy officials
90. [Revoking](#) the security clearances of the 51 officials who signed the Hunter Biden “Russian disinformation” letter
91. [Declaring](#) a national emergency on the southern border
92. [Clearing](#) the backlog of security clearances for the incoming administration
93. [Establishing](#) an “America First” trade policy, including a review of trade with China, and enabling tariffs
94. [Assigning](#) the U.S. military to help protect the border

95. [Unleashing](#) U.S. fossil fuel exploration and development, and ending the electric vehicle (EV) mandate
96. [Suspending](#) refugee admission programs, with exceptions
97. [Ending](#) birthright citizenship
98. [Building](#) the wall and securing the border
99. [Allocating](#) more water to California farmers and communities, rather than to the delta smelt fish
100. [Restoring](#) the death penalty on the federal level and encouraging its use on the state level for capital crimes
101. [Promoting](#) “beautiful” federal architecture in civic buildings
102. [Making](#) it easier for the president to fire senior executives in the “Deep State”
103. [Declaring](#) a national energy emergency
104. [Withdrawing](#) offshore wind leases, temporarily
105. [Pausing](#) and reevaluating U.S. foreign aid programs
106. [Reorganizing](#) the National Security Council (NSC)
107. [Rescinding](#) the U.S. agreement to the OECD “global tax”
108. [Enforcing](#) existing immigration law to the fullest and repealing every directive otherwise
109. [Reopening](#) Alaskan energy resources, including the Arctic National Wildlife Refuge (ANWR)
110. [Barring](#) terrorist supporters (like pro-Hamas activists) from the U.S.
111. [Placing](#) “America First” as the core of U.S. foreign policy
112. [Establishing](#) the Department of Government Efficiency (DOGE)
113. [Recognizing](#) two genders, male and female
114. [Ending](#) government DEI programs
115. [Prioritizing](#) skill, not DEI, in federal hiring
116. [Designating](#) Mexican cartels as foreign terror organizations
117. [Restoring](#) traditional place names, such as Mt. McKinley
118. [Allowing](#) states to help guard the U.S. border against invasion

More such executive orders are expected in the days to come, as Trump is expected to issue over 200 executive orders, actions, and memoranda — as suggested by [\*The Agenda: What Trump Should Do in His First 100 Days\*](#).
