Perfect candidate for Democrats:

ROBERT FRANCIS O'ROURKE

1995
BURGLARY ARREST

1998

2006
EMINENT DOMAIN ETHICS VIOLATIONS COMPLAINT

2013

2018
FEC CHARGES ILLEGAL CAMPAIGN CONTRIBUTIONS

THIS IS BETO

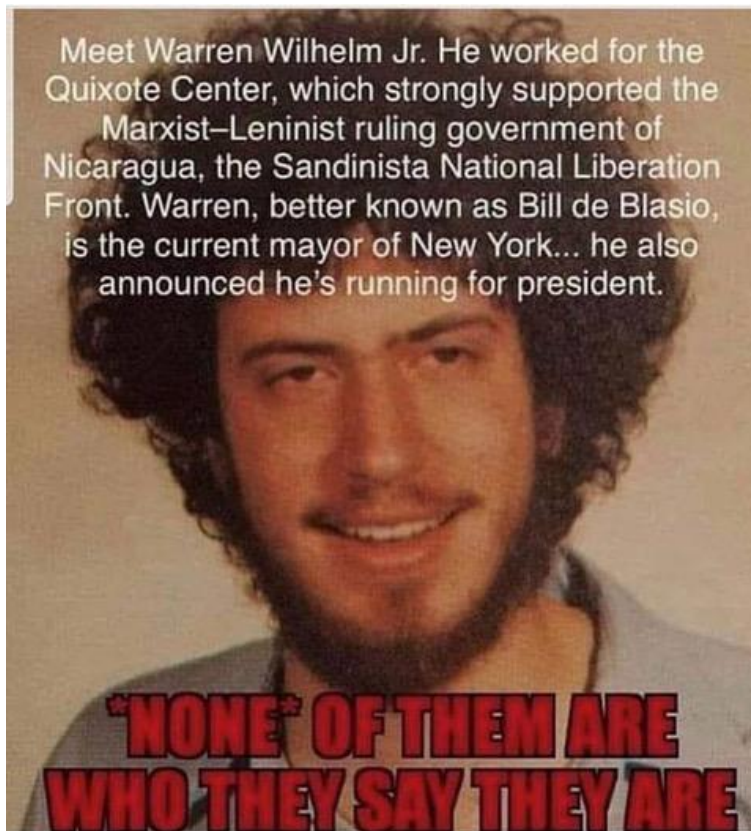

In 2013, Joe Biden and his son Hunter Biden flew aboard Air Force Two to China. Ten days later, Hunter Biden's firm inked a \$1.5 Billion deal with the Chinese Government's Bank of China. -Source: Secret Empires

Isn't it amazing how this old Communist asshole has become wealthy using the very system that he hates?

Meet Warren Wilhelm Jr. He worked for the Quixote Center, which strongly supported the Marxist-Leninist ruling government of Nicaragua, the Sandinista National Liberation Front. Warren, better known as Bill de Blasio, is the current mayor of New York... he also announced he's running for president.
