

Friend-

This Congress has been laser-focused on economic growth by cutting taxes and rolling back burdensome federal regulations. However, working to ensure a strong economy does not end there.

Today, I proudly supported the President's \$15 billion rescissions package, the *Spending Cuts to Expired and Unnecessary Programs Act*. These rescissions cancel billions of dollars in unspent, leftover funds. It's clear Washington has a spending problem and today's vote is a concrete step to bring fiscal responsibility to Congress.

Continuing on a path of wasteful spending threatens economic growth, future generation's prosperity, and our national security. It's Congress' duty to spend taxpayer dollars responsibly.

Rest assured that I am committed to getting our fiscal house in order. We can't afford not to.

Please do not hesitate to [contact me](#) anytime an issue that concerns you comes before the House. It's an honor to serve you and Virginia's First District in the People's House.

Sincerely,

Rob
