

The man has a very good point here!!

The Pee Test

I have a job.

I work, they pay me.

**I pay my taxes & the government
Distributes my taxes as it sees fit.**

**In order to get that paycheck, in my case,
I am required to pass a random urine test
(with which I have no problem).**

**What I do have a problem with is the distribution of my taxes
To people who don't have to pass a urine test.**

So, here is my question:

**Shouldn't one have to pass a urine test to get a welfare check
Because I have to pass one to earn it for them?**

**Please understand, I have no problem with helping people get back
on their feet.
I do, on the other hand, have a problem with helping someone
sitting on their BUTT ----doing drugs while I work.**

**Can you imagine how much money each state would save
If people had to pass a urine test to get a public assistance check?
I guess we could call the program**

"URINE OR YOU'RE OUT"

**Pass this along if you agree or simply delete if you don't.
Hope you all will pass it along, though.
Something has to change in this country - AND SOON!**

P.S. Just a thought, all politicians should have to pass a urine test too!
