

Vienna SA troops blocking Jewish students from attending University of Vienna, 1938. Look familiar? Could be a College Campus in the USA, 2024.

Four years apart ... same gas station.

Remember in November.

**FUN FACT:

DEMOCRATS say trumps a liar

Trump said in 2020 if Biden wins

***Gas prices will go to record highs**

***Inflation will go to record highs**

***The Border will be open and our country will be invaded by illegals from around the world at numbers never seen before**

***China and Russia will no longer respect us**

***WE WILL NO LONGER BE ENERGY INDEPENDENT**

You won't get gun control by disarming law-abiding citizens. There's only one way to get real gun control: Disarm the thugs and the criminals, lock them up and if you don't actually throw away the key, at least lose it for a long time...it's a nasty truth, but those who seek to inflict harm are not fazed by gun controllers. I happen to know this from personal experience.

**Satan's strategy
is simple.
Make sin look
normal and
make
righteousness
look weird.**

BE AWARE!

These two short sentences tell you a lot about our government and our culture:

1. We are advised to not judge ALL Muslims by the actions of a few lunatics, But we are encouraged to judge All Gun Owners by the actions of a few lunatics. Funny how that works.

And here is another one worth considering.

2. Seems we constantly hear about how Social Security is going to run out of Money. How come we never hear about Welfare running out of money? What's Interesting is the first group "worked for" their money, but the second didn't.

Profound isn't it...Think about it.....Pass it on.
