

Kamala Harris

By Geoffrey B. Higginbotham
Major General, USMC (Ret.)

For your knowledge and interest about the Biden Vice President, Kamala Harris. Here is a timely editorial that exposes the hidden background of Kamala Harris from the Combat Veterans for Congress Political Action Committee that is posted here with permission of the author. CVFC PAC supports the election of US military combat veterans to the US Senate and House of Representatives. The editorial begins:

Kamala Harris' father was an avowed Marxist professor in the Economics Department at Stanford University in Palo Alto, CA. Both of Harris' parents were active in the Berkeley based Afro-American Association; Fidel Castro and Che Guevara were the heroes of the Afro-American Association.

The group's leader, Donald Warden (aka Khalid al-Mansour), mentored two young Afro-American Association members, Huey Newton and Bobby Seale; they created the Maoist inspired Black Panther Party which gained strong support from Communist China; the Black Panther Party served as the model for creation of the Black Lives Matter Marxist organization. Khalid al-Mansour subsequently went on to arrange financing and facilitated for Barack Hussein Obama to be accepted as a student to matriculate at Harvard Law School.

Following her graduation from college, Harris returned to California and subsequently became the mistress of the 60-year-old married Speaker of the California Assembly, Willie Brown, Jr. Brown's political campaigns were supported and funded by Dr. Carlton Goodlett, the owner of The Sun Reporter and several other pro-Communist newspapers.

Brown was elected as Mayor of San Francisco, and strongly endorsed Harris' Marxist political philosophy; he guided Harris' political rise in California politics, leading to her election as California's Attorney General. Willie Brown, Jr. was a well-known long-time Communist sympathizer. Willie Brown, Jr. was initially elected to public office with the substantial help of the Communist Party USA.

Today, Willie Brown is widely regarded as one of the Chinese Communist Party's best friends in the San Francisco Bay Area.

While serving as San Francisco District Attorney, Kamala Harris mentored a young San Francisco Radical Maoist activist, Lateefah Simon, who was a member of the STORM Revolutionary Movement; Simon currently chairs the Bay Area Rapid Transit (BART) Board. Simon has always been close friends with the founder of Black Lives Matter Marxist Domestic Terrorists, Alicia Garza, as well as STORM member and avowed Communist, Van Jones. Harris has been openly and aggressively supporting Black Lives Matter Marxists; Kamala Harris is still closely associated with Maoist Lateefah Simon and Marxist Alicia Garza.

Kamala Harris's sister Maya Harris was a student activist at Stanford University. She was closely associated with Steve Phillips, one of the leading Marxist-Leninists on campus and a long-time affiliate with the League of Revolutionary Struggle, a pro-Chinese Communist group.

Phillips came out of the Left, and in college he studied Marx, Mao, and Lenin, and maintained close associations with fellow Communists. Phillips married into the multibillion-dollar Sandler family of the Golden West Savings and Loan fortune. He funded many leftist political campaigns, and voter registration drives in the Southern and Southwestern states in order to help his friend, Barack Hussein Obama, defeat Hillary Clinton. Phillips has been a major financial sponsor for Kamala Harris's political campaigns for various California elective offices plus Cory Booker, Andrew Gillum, Stacey Abrams to name a few.

Harris' husband, Doug Emhoff works for the law firm DLA Piper, which "boasts nearly 30 years of experience in Communist China with over 140 lawyers dedicated to its 'Communist China investment Services' branch. He was just appointed Professor at Yale to school future lawyers in the fine points of Communism.

When she was elected to the US Senate, Kamala Harris appointed a Pro-Communist Senate Chief of Staff, Karine Jean-Pierre. Jean-Pierre was active with the New York-based Haiti Support Network. The organization worked closely with the pro-Communist China/Communist North Korea Workers World Party and supported Jean-Bertrand Aristide, the far-left Communist former president of Haiti and the radical Lavalas movement.

Fortunately for Harris, but potentially disastrous for the Republic, elected office holders are not subject to the security clearance process. If the FBI did a Background Investigation on Kamala Harris, she never would have passed, because of her 40-year close ties with Marxists, Communists, Maoists, and

Communist China. Harris would never have been approved for acceptance to any of the 5 Military Service Academies, been appointed to a US Government Sub-Cabinet position, or would have been approved to fill a sensitive position for a high security defense contractor. Yet, since Joe Biden was elected, Harris could be a heartbeat away from being President.

The US constitutional Republic is being threatened by the People's Republic of Communist China (PRC) externally, and by their very active espionage operations within the United States. The People's Republic of Communist China (PRC), with 1.4 billion people, is governed by the 90-million-member Chinese Communist Party (CCP), that has been working with Russia to destroy the US Constitutional Republic for over 70 years.

If the American voters read the background information (in Trevor Loudon's article) on Kamala Harris, they would never support her election as Vice President of the United States. Joe Biden is suffering from the early onset of dementia and will continue to decline in cerebral awareness; he will never be able to fill out a four-year term of office.

Since Biden was elected, the Socialists, Marxists, and Communist who control Kamala Harris, are planning to enact provisions of the 25th Amendment, in order to remove Joe Biden from office, so Harris can become the first Communist President of the United States.

Since Biden was elected, because Biden would not be up to it, Kamala Harris would lead the effort to appoint very dangerous anti-American Leftist, Communist, Socialists, and Marxists to fill highly sensitive positions in the Washington Deep State Bureaucracy. She would fill all appointive positions in the US Intelligence Agencies, in the Department of Homeland Security, in the Department of Defense, in The Justice Department, the Department of State, the FBI, the CIA, most cabinet positions, the National Security Council, and in the White House Staff.

American voters must alert their fellow Americans that Kamala Harris is a very serious National Security threat to the very survival of the US Constitutional Republic; she has been a fellow traveler of Marxists, Communists, Maoists, Socialists, Progressives, and Chinese Communists for over 35 years.

P.S. - Now, please say a prayer for Pinocchio Joe Biden not to die before he is no longer our President, God willing, on January 20, 2025. You think Biden is a

disaster, but do you really want Cackling Kalama, a confirmed follower of Socialism and Marxism, to be the President of the United States?
